To—The Deputy Commissioners, Treasury Department, of all Districts and Officer in charge, State Huzur Treasury, Bangalore.

Instances of payments being made to illiterate pensioners on their marks and illegible and smudged unattested thumb impressions having been noticed during the course of audit in this office of the vouchers connected with pension payments, the Comptroller has the honor to request that all pension-paying officers be so good as to see that in future illiterate pensioners are paid only on vouchers containing their thumb impressions taken in the manner prescribed in Government Proceedings No. 6667-706—R. F. 18-99, dated 21st March 1900, and that when pensioners do not attend in person, and in the case of Purdha pensioners, such impressions should invariably be attested by some well known respectable person.

2. Signatures in other than the English language should invariably be transliterated by the Treasury before transmission of the vouchers to this office.

3. Receipt stamps affixed on pensioners' vouchers should be completely defaced or punched so that they may not be fit either for removal or further use by anybody.
